

We invite the teams to present a cultural activity in the following days:

- Day 13/09/2015 Welcome dinner: countries presentation: Each team is invited to prepare presentation, promoting the greatest feature, especially geoscience feature, of its country but even natural, cultural, talks about where they live, their schools, hobbies, daily life ... During presentation team members can use artefacts, perform a pantomime, “shadow theatre”, play music, demonstrate video clip, etc. Organisers will provide video projector and sound equipment; for avoid technical problems we will ask you download your video and audio files in advance. It is also good for your students to interact with other students in the audience during the presentation. Time limit for each presentation is 5 minutes.
- Day 19/09/2015 Farewell party performance: we strongly recommend each students team to prepare a short performance that could be song, dance, perform a pantomime, “shadow theatre”, play music ...

Please send a confirmation to the IESO's e-mail until August 20th wether you will make a presentation with the following information:

1. What are the days of presentation (13th or 19th or both)?
2. What are you going to present?
3. What is the lengh of the presentation in minutes?
4. Who is responsible (full name)?
